## SELECTION CRITERIA

### CATEGORIES 01-17

The following criteria will be used to judge nominees for Project of the Year & "On the Boards" Project

---

Entries for SAGE Project of the Year Awards (Built) and (“On the Boards”) will be evaluated on creativity, execution and outcome based on the following criteria (as applicable to individual categories):

- Design/Appeal: Quality of design and functionality, including: aesthetics, proportion, spatial relationships, balance, colors, textures and lighting.
- Creativity: Design innovation and fresh perspective on 55+ market preferences and needs; creative approach to design constraints and challenges, using new ideas and methods.
- Value (Quality & Price): The balance between the financial impact to the resident(s) and construction costs, and execution of the design; the ability to deliver the best design possible given budget constraints and challenges.
- Successful Implementation & Overall Execution: Ability to achieve the community or project goals working within the budget constraints and challenges, meeting the expectations and needs of the resident(s) and targeted market in the development and execution of the design and concepts.
- Aging in Place: Implementing designs that address 55+ market preferences, facilitate an active and healthier lifestyle, and promote independence while aging (either within the community/project or in the surrounding area); the incorporation of universal design (as applicable) will be evaluated favorably.
- Amenities and Services (as applicable): Providing amenities and/or services that facilitate an active and healthier lifestyle and promote the aspects of that lifestyle, including: social, entertainment, spiritual, physical, occupational, cultural, educational, intellectual and/or environmental.

---

## SELECTION CRITERIA

### CATEGORIES 18-19-20

Entries for SAGE Lifestyle Program will be judged on creativity, execution and outcome based on the following criteria:

- Creativity/Appeal: Overall appeal of the programming and the environment in which it occurs.
- Target Market: Appropriateness for the resident group and/or 55+ consumers.
- Benefits: Evidence of positive impact on resident satisfaction and quality of life.
- Success: The work has met objectives and delivered a favorable return on investment.

Entries for SAGE Lifestyle Director will be evaluated on creativity, execution and outcome based on the following criteria:

- Creativity/Appeal: Overall appeal of the programming and the environment in which it occurs.
- Target Market: Appropriateness for the resident group and/or 55+ consumers.
- Benefits: Evidence of a positive impact on resident satisfaction and quality of life.
- Success: The work has met objectives and delivered a favorable return on investment.
- Leadership Qualities: Demonstrated ability to motivate, guide and direct others toward achieving the highest levels of performance, effectiveness, and success.
- Commitment to the 55+ Housing Industry: Continuing education, trade group involvement, certifications, designations, and other activities that promote excellence.
